

Banking on Climate Change

FOSSIL FUEL FINANCE REPORT CARD **2018**

BANKTRACK

The top 10 worst banks in 2017:

RBC, TD, and JPMorgan Chase increased their extreme fossil fuel financing in 2017, passing the coal-heavy Chinese banks for the shameful top spots.

The biggest backsliders

Instead of committing to real reductions, many banks drastically increased their extreme fossil fuel financing from 2016 to 2017.

- 1. RBC** (\$8.8 billion increase)
- 2. TD** (\$4.7 billion increase)
- 3. JPMorgan Chase** (\$4.0 billion increase)
- 4. HSBC** (\$2.6 billion increase)
- 5. CIBC** (\$2.0 billion increase)
- 6. Scotiabank** (\$1.6 billion increase)
- 7. Goldman Sachs** (\$1.2 billion increase)
- 8. Credit Suisse** (\$1.1 billion increase)
- 9. Bank of Montreal** (\$778 million increase)
- 10. Standard Chartered** (\$643 million increase)

All dollar amounts are rounded and in U.S. dollars. Interact with the data at www.ran.org/bankingonclimatechange2018.

Financing for the most extreme fossil fuels from 2015-2017 (million USD)

\$7,825

FOSSIL FUEL EXCLUSION POLICIES

COAL

- Coal mining
- Coal power

OIL

- Tar sands
- Arctic oil
- Ultra deepwater oil
- Other oil

GAS

- LNG export
- Arctic gas
- Fracked gas
- Ultra deepwater gas
- Other gas

- No exclusion
- Partial exclusion
- ✕ Full exclusion

This overview lists the subsectors of the fossil fuel industry and shows for which ones Credit Suisse has a finance exclusion policy. ● shows they have no exclusion policy in place, — shows they have a policy excluding some types of financing, and ✕ shows they have excluded all financing, including for projects and companies responsible for the extraction, transportation, and/or combustion of the fossil in that subsector.

FOSSIL FINANCE

Data, covering the most extreme fossil fuels, from [Banking on Climate Change: Fossil Fuel Finance Report Card 2018](#)

Total financing by year ▼

TOTAL FINANCING BY YEAR, 2015 - 2017, IN US DOLLARS

Credit Suisse has been linked to the following fossil fuel projects and/or companies, e.g. as a current or past financier or through an expression of interest. See the project or company profile for more details on the nature of the bank's link to the company or project.
